

STUDENT NAME:

HAIR AND MEDIA MAKE-UP

Hair and Media Make-up is a fantastic programme that mixes both the theory and practical skills needed for a career in the media market which covers hair, make-up and creative skills.

Media Make-up artists prepare make-up and hair for anyone appearing in front of a camera or a live audience in film, television, theatre, concerts, photographic shoots or fashion shows.

As a make-up artist, you could create anything from a natural look for TV presenters and guests, to period wigs and make-up or complex special effects such as scars and prosthetics.

You will advance your skills and give the creative and technical know-how to build your professional portfolio.

We have created an activity for you to complete before you join us in September. Please send your completed work to applicants@knowsleycollege.ac.uk with the subject line 'Completed Hair and Media Make up Applicant Activity.'

'EGYPTIAN MAKE-UP' ACTIVITY

Your task is to create a PowerPoint presentation or word document on 'Egyptian Make-up'

I would like you to investigate the Egyptian Era and find out about their make-up style and fashion!

Below are other key factors I would like you to explore! Make this as creative as you possibly can.

- Who wore make-up?
- What was the fashion like?
- What was the hair style like?
- Did they paint their nails?
- What decade does Egyptian make-up link to?
- Iconic movies/people
- What did they use as make-up compared to what we use?
- Was it toxic?
- Find images which remind you most of Egyptian make-up
- Create an iconic Egyptian eye look! (this can be on paper or with make-up on yourself!)

Enjoy and we look forward to seeing you soon.
